

Dedication of Health Professional is the key to PH/UHC

PH/UHC can't be achieved only with money. It needs strong health systems, families, local government and community leaders, and **qualified committed health volunteers n professionals.**

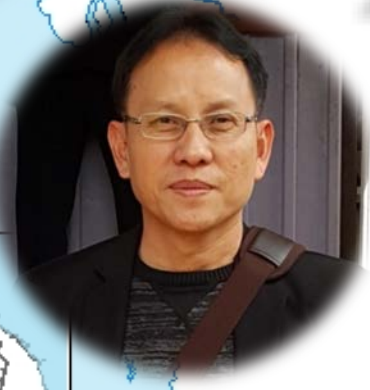

Transformative Health Professionals Education for the 21st century is thus the key contribution to UHC

Legend

- Province Boundary
- Province Capital

- True success is not in the learning, but in its application to the benefit of mankind
- I don't want you to be only a doctor, but I also want you to be a man
- Put the public interest first, self interest as second.
